The mission of Vets 4 Veterans is to empower local veterans, who suffer the physical and psychological wounds of war, to successfully reintegrate into the life of their community. This is accomplished through awarding scholarships, providing counseling and therapy program, our transition house, job training program and mentorship, and assessing and granting assistance in cases of hardship or immediate family need.

Vets 4 Veterans

The past two years have presented some unique challenges. As it is our goal to ease the readjustment of those who have served our country, we continue to strive to address the challenges faced by local veterans.

We are happy to announce that our second Operation Restart House is housing veterans, and our Veteran Training Program continues to assist veterans successfully make the transition to stable employment. We are experiencing a large increase in Immediate Need situations. Our expenses have increased 500%, and we are getting twice as many requests for assistance. Many veterans are experiencing higher levels of hardship, both physical and emotional, and we strive to meet these needs.

We are assisting with motel rooms, auto repair, utilities, food, and many other daily living expenses on a much higher level than in the past. Our Emergency Assistance budget is being stretched to the limit with referrals from other agencies who are unable to help.

Thanks to our volunteers, corporate giving, local businesses, and individuals like you, we continue to provide scholarships, food boxes, transitional housing, and counseling to local veterans. We have been able to deliver groceries monthly to 50 veterans and their families, feeding upwards of 140 individuals.

While it is difficult to maintain this level of care, Vets 4 Veterans is committed to filling the gap and meeting the needs of veterans in order to prevent homelessness. Our goal is to reach \$50,000 to help fund our Programs for 2024, providing that safety-net to veterans in the Antelope Valley.

Your support and donations help veterans successfully maximize their potential as strong members of our community.
